

Who would you consider to be the best trainer in the state? What's the best place to buy feed? Where's the place you'd shop for your horse's wardrobe or your own? Here's your chance to tell your fellow KQHA members and others what your favorites are in a variety of categories. You can make your vote at the annual meeting in January or send it to me at kaberlinec@gmail.com an e-mail account I've set up just for this purpose. You can vote more than once, but only once per day. You may vote in all categories or only a few or even just one. Voting begins January 1 and ends March 1, 2012, so results can be tabulated and revealed in the 2012 edition of the KQHA Winners and Buyers Guide. So here are the categories—may the best choice win!
